

STATEMENT COMPLIANCE WITH SANCTIONS LEGISLATION

MCB International B.V. and its affiliated companies (“MCB”) value integrity, ethics and compliance with applicable legislation and regulations, as also indicated in the MCB Code of Conduct.

MCB stands for doing business in an ethical manner. The basis for doing business in an ethical manner lies in compliance with the applicable legislation and regulations, including Regulations 833/2014 and 269/2014, which contain sanctions against Russia and amendments thereof (hereinafter: “the sanctions legislation”).

MCB also expects all of its suppliers to comply strictly with the applicable legislation and regulations, expressly including the obligations set out in the sanctions legislation.

Based on the matters set out above, MCB declares that, to the best of its knowledge:

- MCB is not involved in any transaction in breach of the sanctions legislation;
- the goods delivered by MCB are not in breach of the sanctions legislation.
